ABOUT US

Cotton & Colors is specialized in embroidered uniforms, personalized workwear and promotional clothing. We are based in Larnaca, Cyprus but offer services nationwide and across all Europe. Competitive prices, highest quality garments and precision embroidery is what we pride ourselves for.

YEARS OF EXPERIENCE

Having accumulated knowledge through many years of experience in the uniform and personalized workwear industry, we have built our reputation as a one stop shop supplier of promotional clothing and headwear. Everything we do is made in house, from sewing custom garments, to embroidery and printing, all the way to quality control and packaging. Our aim is to maintain a high quality product range and provide excellent service and decorative advice to each of our customer.

TOP NOTCH SERVICE

From 1 to 100,000 items, we handle every order efficiently, with care & fast turnaround, while ensuring a strict quality control process. The company holds large stock, hence standard orders are fulfilled within short time. Ask for your same day delivery of embroidered uniforms, subject to terms and conditions.

EMBROIDERY SPECIALTY

We can embroider designs in a wide range of positions. These depend on the garments you select. We will advise you on the positions available to choose from. When deciding on your logo, we advise you to send us the best quality and highest resolution of your design. In case of sending us a file that is deemed too poor to embroider or print, we will assist you to advise how to proceed. Our sole aim is to ensure your logo will look as brilliant and neat as possible. Please ask for our embroidery samples booklet.
